

CALCULATOR PROGRAM PROCEDURES

TI CONNECT OVERVIEW

MOSTLY USED FOR TI-83S AND MOST TI-84S

CORDS

These cords are already connected to the student computers

- Only works with TI-83s

- Works with TI-83 & most TI-84s
Except for TI 84 Silver or CE edition

STEPS

1. Plug one of the cords (see section above) into the calculator
*****Make sure the calculator is ON**
2. Double click on the TI Connect icon on the desktop
3. Click on the Device Explorer Icon, found on the TI Connect page
4. TI Connect will search for the device. Once it is found click on "Select".
5. Once the unit is found and selected, the Device Explorer window should display a list of Programs, Variable and Apps on the calculator *****IF the unit is NOT found try another cord, computer, or you may need to use the TI Connect CE program**
6. Select the appropriate program(s) found in the "TI Calculator Apps" folder on the desktop.
7. Drag these programs into the Device Explorer menu, and release over the word "Program"
*****be careful not to drop in Flash/Archive section or you will have to delete and repeat step 6**
8. After several seconds you should see that program listed in the Device Explorer.
9. Close the window and unplug the calculator.
*****Be sure to test the program works correctly on the calculator otherwise you will have to repeat all the steps**

TI CONNECT CE OVERVIEW

USED FOR TI-84 CE, PLUS, AND SILVER EDITIONS
